QUALIFICATIONS AND TENURE OF DIRECTORS AS PER COMPANIES ACT, 2013 AND THE LISTING REGULATIONS.

The Act has also prescribed certain criteria for qualification of directors, which has since been adopted by the Company i.e.:

Section 196 and Schedule V (Part-I) (for the appointment of Managing Director, Whole Time Director and Manager),

Section 149 (for appointment of Independent Directors) and any other applicable provisions of Companies Act, 2013 and rules made thereunder and the provisions of Listing Regulations .

Further, a Director should not be disqualified in terms of Section 164 of the Act.

WHAT CONSTITUTES INDEPENDENCE FOR DIRECTORS

For a director to be considered Independent, the Board determines that the director does not have any direct or indirect material pecuniary relationship with the Company. The Board has adopted guidelines to determine independence, which are in line with the applicable legal requirements as stated in Section 149 of the Companies Act, 2013 and the rules made thereunder read with the Listing Regulations. The Company also obtains an annual undertaking from every Independent Director confirming that they meet the requirements of an Independent Director as per the Listing Regulations. The Independent Director shall also inform the Company about any change in the circumstances which may affect his status as an independent director

Apart from the provisions laid down under the Companies Act, 2013 and the Listing Regulations, the Board also considers all relevant facts and circumstances, not merely from the standpoint of the Directors but also from that of persons or organizations with which the director has an affiliation in forming an opinion on the independence of the concerned director(s).

The criteria of independence are provided in the Section 149 of the Companies Act, 2013 and in the Listing Regulations.

SUCCESSION PLANNING

A planned programme of recruitment and retirement amongst board members and senior management is of significant importance.

It is an important part of the Board's work to ensure that there is adequate management development and succession planning particularly at the top levels. Succession planning also involves an assessment of the challenges and opportunities facing the Company, and an evaluation of the skills and expertise that will be needed in the future.

The Nomination and Remuneration Committee is to provide support on this. Both executive and non-executive requirements shall be considered. The Committee shall satisfy itself that processes and plans are in place for orderly succession for appointments to the Board and to senior management to maintain an appropriate balance of skills on the Board and in the Company.

In addition, the annual appraisal assessment process for all the employees including the senior management personnel has succession planning and employee progression as one of the key attributes.

The process is institutionalized in the Company's HR framework and by design; it is the responsibility of the superiors to identify the succession path and suggest the training and development of skill necessary for the Company executives or suggest new recruitment wherever gaps exist.

BOARD DIVERSITY

In accordance with the requirements of the Listing Regulations, at least half of the Board shall comprise of Independent Directors. Further, at least one independent woman director should also be there.

The Committee, along with the Board, reviews on an annual basis, appropriate skills, characteristics and experience required of the Board as a whole and its individual members. The objective is to have a Board with diverse background and experience in business, government, academics, technology and in the areas that are relevant for the Company's global operations.

Thus the committee should strive for a diversified board consisting of executive and non-executive members (more of non-executive). Optimum combination of executive and non-executive directors shall be there and not less than fifty per cent of the board of directors shall comprise of non-executive directors.

The Board of the Company always strives to maintain equilibrium between the independent directors and non-independent directors.

GENERAL

Any or all provisions of this Policy would be subject to revision/amendment in accordance with the guidelines etc. on the subject as may be issued by Government/regulatory bodies etc., from time to time.
